See "How do I enrol" for further information.

Duration

We allow up to 12 months to complete this course, although your actual completion time may be less depending on prior experience and the time you commit to your study.

Pricing & Payment Options

The investment fee for this course is \$4,500.

The following payment options are available:

- Payment Plans
- VET Student Loan
- Personal Student Loan

Recognition of Prior Learning

Your work and life experiences are valuable. So valuable, in fact, that they may be able to reduce the time that it takes you to get your qualification and the associated investment fees.

The process known as Recognition of Prior Learning (RPL) acknowledges your experiences and maps them against the criteria for an individual unit of competency in your selected course.

The RPL investment fee for this course starts from 50% of the total course investment and is based on the number of units of competency you are eligible to RPL.

How do I Enrol?

Our enrolment process is easy! You may enrol in this course at any time and begin studying shortly after enrolment. You can enrol either by:

- Phone on 1300 887 991 where one of our friendly Course Consultants can answer all your questions and complete the enrolment process for you, or
- Online by filling out our Application Form

You will be requested to provide us with completed documentation and Identification to complete your enrolment. Depending on your circumstances you may be required to supply copies of previous qualifications, Year 12 Senior Secondary Certificate of Education, or complete a Core Skills assessment to ensure the course is suitable for your needs.

Course Structure

There are 11 units in this Accounting qualification that are delivered in three stages. Students will be supported throughout the course program via regular trainer support, online e-learning, live and recorded web-tutorials which are designed to support individual learner needs. Australis College will integrate the activities, bringing together some units that reflect real industry outcomes and processes.
